Flower Mound, TX 75027

Dear Striders,

We are deeply appreciative of your hard work and contribution of \$2,212.74 raised through the Declaration Dash. Jazz and I thoroughly enjoyed the early morning celebration, and working with your group was a terrific experience. Thank you for your support! Your gift is already helping to keep uninsured and underinsured children in our community healthy and able to play this summer.

Thanks to the continuing support from the community and groups like the North Texas Striders, PediPlace has been providing quality healthcare to children for fifteen years. Sometimes, our smallest children need the most help. When we first saw him, Zeyar was an underweight infant with serious health concerns including bronchiolitis and pneumonia. Language barriers complicated educating his Burmese refugee parents about his care, but dedication and the partnership between our staff and his parents has paid off. We saw a happy and healthy average weight Zeyar at his nine months check up! Zeyar is one of the 6,000 children we see annually.

On behalf of the families we serve, thank you again for your caring generosity. Together we will continue to provide opportunities for kids like Zeyar to grow and succeed in life. We look forward to working with you in the future.

Sincerely,

Larry S. Robins
Executive Director
